SPECIAL TOWN BOARD MEETING

WEDNESDAY, SEPTEMBER 9, 2020

The special meeting of the Town of Centerville took place on Wednesday, September 9, 2020 at the Newton Town Hall in Newton, Wisconsin. Agendas for the meeting were posted accordingly. In attendance were Chairman Brian Kraemer, Supervisor Mike Bruckschen and Clerk Paulette Vogt. Chairman Roger Busse of the Town of Newton called the meeting to order. The Pledge of Allegiance was said by all.

After the preliminary business of Newton's Town Meeting was conducted, the agenda was directed to Newton's Supervisor, Denise Thomas. On the agenda for Denise Thomas was the discussion of the recycling budget and the rates.

After much discussion between the Centerville Town Board and the Newton Town Board, and with many suggestions, it was decided that the amount of payment by the Town of Centerville would remain the same as it had been the previous year.

It was also decided and made by a motion and seconded from the Newton Town Board that all bags will be purchased for \$.75 per bag starting September 12, 2020 at the recycling center until the supply of bags are gone. Stickers will then be used at \$.75 per sticker and residents from the Town of Newton and the Town of Centerville will be using their own bags for their recycling. Signs will be displayed at the Recycling Center to depict the same. The motion carried.

Respectfully submitted,
Paulette Vogt, Clerk
Town of Centerville
